- (3) Expand to offer one grade higher or lower than the charter school currently offers if the charter school has (i) operated for at least three years, (ii) has not been identified as continually low-performing as provided in G.S. 115C-218.94, and (iii) has been in financial compliance as required by the rules adopted by the State Board.
- (4) Relocate the charter school within a 10-mile radius of the location specified and approved in the charter so long as the new location is located within the same local school administrative unit as the location specified and approved in the charter.
