

**§ 116-17.1. Dependent care assistance program.**

The Board of Governors of The University of North Carolina is authorized to provide eligible employees of constituent institutions a program of dependent care assistance as available under Section 129 and related sections of the Internal Revenue Code of 1986, as amended. The Board of Governors may authorize constituent institutions to enter into annual agreements with employees who elect to participate in the program to provide for a reduction in salary. With the approval of the Director of the Budget, savings in the employer's share of contributions under the Federal Insurance Contributions Act on account of the reduction in salary may be used to pay some or all of the administrative expenses of the program. Should the Board of Governors decide to contract with a third party to administer the terms and conditions of a program of dependent care assistance, it may select a contractor only upon a thorough and completely competitive procurement process.
