

§ 116E-2. Purpose of the North Carolina Longitudinal Data System.

(a) The North Carolina Longitudinal Data System is a statewide data system that contains individual-level student data and workforce data from all levels of education and the State's workforce. The purpose of the System is to do the following:

- (1) Facilitate and enable the exchange of student data among agencies and institutions within the State.
- (2) Generate timely and accurate information about student performance that can be used to improve the State's education system and guide decision makers at all levels.
- (3) Facilitate and enable the linkage of student data and workforce data.

(b) Repealed by Session Laws 2025-62, s. 3(a), effective July 1, 2025. (2012-133, s. 1(a); 2025-62, s. 3(a).)
