(c) Computation. – Upon retirement for disability pursuant to subsection (a) of this section, a member shall receive a disability retirement allowance equal to a service retirement allowance calculated on the basis of the member's "highest annual salary" and the creditable service he would have had by the age of 60 had he continued in service.

(d) Limitations. – In no event shall any member receive a disability retirement allowance greater than seventy-five percent (75%) of his "highest annual salary". (1983, c. 761, s. 238; 1983 (Reg.
