

Article 5.

Museum and Archives Repository Property.

§ 121-50. Legislative findings and declaration.

The General Assembly finds and declares that the growth and maintenance of collections in museums and archives repositories, both public and private, is a matter of general public interest to the citizens of North Carolina. Museums and archives repositories of all kinds depend upon loans of various articles of property to promote and encourage the teaching of North Carolina and local history and to preserve and care for historical manuscripts, materials, and artifacts. The uncertainty regarding title to and responsibility for loaned property is a hindrance to museums and archives repositories in their efforts to maintain, repair, and dispose of property in their possession. The purpose of this Article is to terminate stale claims and to fairly and reasonably allocate responsibilities for the determination of title and financial responsibilities in certain cases.
