

**§ 122C-291. Supplemental hearings.**

(a) Upon receipt of a request for a supplemental hearing, the clerk shall calendar a hearing to be held within 14 days and notify, at least 72 hours before the hearing, the petitioner, the respondent, his attorney, if any, and the designated area facility or physician. Notice shall be provided in accordance with G.S. 122C-284(b). The procedures for the hearing shall follow G.S. 122C-286.

(b) At the supplemental hearing for a respondent who has moved or may move to another county, the court shall determine if the respondent meets the criteria for commitment set out in G.S. 122C-283(d)(1). If the court determines that the respondent no longer meets the criteria for commitment, it shall discharge the respondent from the order and dismiss the case. If the court determines that the respondent continues to meet the criteria for commitment, it shall continue the commitment but shall designate an area facility or physician at the respondent's new residence to be responsible for the management or supervision of the respondent's commitment. The court shall order the respondent to appear for treatment at the address of the newly designated area facility or physician and shall order venue for further court proceedings under the commitment to be transferred to the new county of supervision. Upon an order changing venue, the clerk of court in the county where the commitment has been supervised shall transfer the records regarding the commitment to the clerk of court in the county where the commitment will be supervised. Also, the clerk of court in the county where the commitment has been supervised shall send a copy of the court's order directing the continuation of treatment under new supervision to the newly designated area facility or physician.

(c) At a supplemental hearing for a respondent to be held longer than 45 consecutive days in a 24-hour facility, the court shall determine if the respondent meets the criteria for commitment set out in G.S. 122C-283(d)(1). If the court determines that the respondent continues to meet the criteria and that further treatment in the 24-hour facility is necessary, the court may authorize continued care in the facility for not more than 90 days, after which a rehearing for the purpose of determining the need for continued care in the 24-hour facility shall be held, or the court may order the respondent released from the 24-hour facility and continued on the commitment on an outpatient basis. If the court determines that the respondent no longer meets the criteria for commitment the respondent shall be released and his case dismissed.

(d) At any time during the term of commitment order, a respondent may apply to the court for a supplemental hearing for the purpose of discharge from the order. The application shall be made in writing to the clerk of superior court. At the supplemental hearing the court shall determine whether the respondent continues to meet the criteria for commitment. The court may reissue or change the commitment order or discharge the respondent and dismiss the case. (1985, c. 589, s. 2; 2018-33, s. 40.)
