

§ 128-40. Leaves of absence for county officials for protracted illness or other reason.

Any elective or appointive county official may obtain leave of absence from the official's duties for protracted illness or other reason satisfactory to the board of county commissioners of his county, for such period as the board of county commissioners may designate. The leave shall be obtained only upon application by the official and with the consent of the board of county commissioners. The official shall receive no salary during the period of leave unless the leave of absence is granted by reason of protracted illness, in which event the granting of a leave of absence shall not deprive the official of the benefits of any sick leave to which the official may be entitled by law. The period of leave may be extended upon application to and with the approval of the board of county commissioners if the reason for the original leave still exists, and it may be shortened if the reason shall unexpectedly terminate: Provided, that no leave or extension thereof shall operate to extend the term of office of any official beyond the period for which the official was elected or appointed. If, by reason of the length of the period of absence or the nature of the duties of the official, the board of county commissioners deems it necessary, the board may appoint any qualified citizen of the county as a temporary replacement for the period of the official's leave of absence. This appointee shall have all the authority, duties, perquisites, and emoluments of the official temporarily replaced. The appointee shall possess all the qualifications required by law for holding the office for which the temporary replacement official is appointed. (1941, c. 121, s. 2; 2007-432, s. 3.)
