

§ 130A-137. Medical facilities may report.

A medical facility, in which there is a patient reasonably suspected of having a communicable disease or condition declared by the Commission to be reported, may report information specified by the Commission to the local health director of the county or district in which the facility is located. (1983, c. 891, s. 2; 1987, c. 782, s. 7.)
