§ 130A-388. Medical examiner's permission necessary before embalming, burial and cremation.

(a) No person knowing or having reason to know that a death may be under the jurisdiction of the medical examiner pursuant to G.S. 130A-383 or 130A-384, shall embalm, bury or cremate the body without the permission of the medical examiner.

(b) A dead body shall not be cremated or buried at sea unless a medical examiner certifies that he has inquired into the cause and the manner of death and has the opinion that no further examination is necessary. This subsection shall not apply to deaths occurring less than 24 hours after birth or to deaths of patients resulting only from natural disease and occurring in a licensed hospital unless the death falls within the jurisdiction of the medical examiner under G.S. 130A-383 or 130A-384. The Commission is authorized to adopt rules creating additional exceptions to this subsection. For making this certification, the medical examiner shall be entitled to a fee in an amount determined reasonable and appropriate by the Secretary, not to exceed fifty dollars ($50.00), to be paid by the applicant.
