

**§ 130A-49. Declaration that district exists; status of industrial villages within boundaries of district.**

(a) If, after the required public hearing, the Commission and the county commissioners determine that a district shall be created for the purposes stated in the petition, the Commission shall adopt a resolution defining the boundaries of the district and declaring the territory within the boundaries to be a sanitary district. The Commission may make minor deviation in defining the boundaries from those prescribed in the petition when it determines the change to be in the interest of the public health.

(b) The owner or controller of an industrial plant may make application requesting that the plant or the plant and its contiguous village be included within or excluded from the sanitary district. The application shall be filed with the Commission on or before the date of the public hearing. If an application is properly filed, the Commission shall include or exclude the industrial plant and contiguous village in accordance with the application.

(c) Each district when created shall be identified by a name or number assigned by the Commission. (1927, c. 100, s. 5; 1957, c. 1357, s. 1; 1973, c. 476, s. 128; 1983, c. 891, s. 2.)
