

§ 130A-7. Grants-in-aid.

The State is authorized to accept, allocate and expend any grants-in-aid for public health purposes which may be made available to the State by the federal government. This Chapter is to be liberally construed in order that the State and its citizens may benefit fully from these grants-in-aid. The Commission is authorized to adopt rules, not inconsistent with the laws of this State, as required by the federal government for receipt of federal funds. Any federal funds received are to be deposited with the State Treasurer and are to be appropriated by the General Assembly for the public health purposes specified.
