

§ 130A-74. Validation of creation of districts.

All actions prior to June 6, 1961, taken by the county boards of commissioners[,] by the State Board of Health, by any officer or by any other agency, board or officer of the State in the formation and creation of sanitary districts in the State, and the formation and creation, or the attempted formation and creation of any sanitary districts are in all respects validated. These sanitary districts are declared lawfully formed and created and in all respects legal and valid sanitary districts. (1953, c. 596, s. 1; 1957, c. 1357, s. 1; 1961, c. 667, s. 1; 1983, c. 891, s. 2.)
