

§ 131E-125. Revocation of a license.

(a) The Department shall have the authority to revoke a license issued pursuant to G.S. 131E-102 in any case where it finds that there has been a substantial failure to comply with the provisions of this Part or any failure that endangers the health, safety or welfare of patients.

A revocation shall be effected by mailing to the licensee by registered mail, or by personal service of, a notice setting forth the particular reasons for such action. Such revocation shall become effective 20 days after the mailing or service of the notice, unless the applicant or licensee, within such 20-day period, files a petition for a contested case, in which case the notice shall be deemed to be suspended. At any time at or prior to the hearing, the Department may rescind the notice of revocation upon being satisfied that the reasons for the revocation have been or will be removed.

Such order shall be effected by mailing to the hospital by registered or certified mail, or by personal service of, a notice setting forth the particular reasons for such action. Such order shall become effective 20 days after the mailing of the notice, unless the hospital, within such 20-day period, files a petition for a contested case, in which case the order shall be deemed to be suspended. At any time at or prior to the hearing, the Department of Health and Human Services may rescind the order upon being satisfied that the reasons for the order have been or will be removed.
