Article 8.

Cardiac Rehabilitation Certification Program.

§ 131E-165. Title; purpose.

(a) This Article shall be known as the "Cardiac Rehabilitation Certification Program."

(b) The purpose of this Article is to provide for the development, establishment, and enforcement of rules and certification:

(1) For the care and treatment of individuals in outpatient cardiac rehabilitation programs; and

(2) For the maintenance and operation of cardiac rehabilitation programs to ensure safe and adequate treatment of individuals in cardiac rehabilitation programs. (1983, c. 775, s. 1; 1995, c. 182, s. 1.)
