

**§ 131E-295. Powers of insurers and medical service corporations.**

Notwithstanding any provision of the insurance and hospital or medical service corporation laws contained in Articles 1 through 67 of Chapter 58 of the General Statutes, an insurer or a hospital or medical service corporation may contract with a provider sponsored organization to provide insurance or similar protection against the cost of care provided through provider sponsored organizations and their sponsoring providers to beneficiaries and to provide coverage in the event of the failure of the provider sponsored organization or its sponsoring providers to meet its obligations under the PSO's Medicare contract. The beneficiaries of a provider sponsored organization constitute a permissible group under these laws. Among other things, under these contracts, the insurer or hospital or medical service corporation may make benefit payments to provider sponsored organizations for health care services rendered by providers pursuant to the health care plan.
