§ 131E-33. Part controlling.

Insofar as the provisions of this Part are inconsistent with the provisions of any other law, the provisions of this Part shall be controlling; however this Part shall not be construed as preventing a city, town, or county from establishing and operating a hospital under the authority of any other law now or hereafter in effect. (1943, c. 780, s. 28; 1971, c. 799; 1983, c. 775, s. 1.)
