§ 135-110. Funding and management of funds.

(a) It is the intent of the General Assembly that a trust fund be created that provides an irrevocable source of funding to be used, to the extent the fund's assets are sufficient, only for disability benefits to participants and beneficiaries. Accordingly, the following provisions apply to that trust fund:

(1) A trust fund, the Disability Income Plan of North Carolina Trust Fund, is hereby created to which all receipts, transfers, appropriations, contributions, investment earnings and other income belonging to the Plan shall be deposited, and from which all benefits and expenses against the Plan shall be disbursed. The Board of Trustees shall be the trustee of the Fund.

(2) Employer and non-employer contributions to the Disability Income Plan of North Carolina Trust Fund and earnings on those contributions are irrevocable. The assets of the Fund are dedicated to providing benefits to participants and beneficiaries in accordance with the Plan's benefit terms. The assets of the Fund are not subject to the claims of creditors of the employers and non-employers making contributions to the Fund, are not subject to the claims of any creditors of the Fund's trustees and administrators, and are not subject to the claims of participants and beneficiaries.

(3) Disability Income Plan of North Carolina Trust Fund assets may be used for reasonable expenses to administer benefits provided by the Fund as approved by the Board of Trustees.

(b) The Board of Trustees shall on the basis of such economic and demographic assumptions duly adopted, determine and adopt a uniform percentage of compensation as is defined in Article 1 of this Chapter which would be sufficient to fund the benefits payable under this Article on a term cost method basis as recommended by an actuary engaged by the Board of Trustees. Such uniform percentage of compensation shall not be inconsistent with acts of the General Assembly as may be thereafter adopted.

(c) Each employer shall contribute monthly to the Plan an amount determined by applying the uniform percentage of compensation adopted by the Board of Trustees multiplied by the compensation of teachers and employees reportable to the Retirement System or the Optional Retirement Program. Such monthly contribution shall be paid by the employer from the same source of funds from which the compensation of teachers and employees are paid.

(d) The State Treasurer shall be the custodian of the funds and shall invest the assets of the fund in accordance with the provisions of G.S. 147-69.2 and G.S. 147-69.3. (1987, c. 738, s. 29(q); 2017-129, s. 2(o).)
