§ 135-28. Transfer of members to employment covered by the North Carolina Local Governmental Employees' Retirement System.

(a) Any member whose services as a teacher or State employee are terminated for any reason other than retirement or death, who, while his account remains active, becomes employed by an employer participating in the North Carolina Local Governmental Employees' Retirement System or an employer which brings its employees into participation in said System while his account is active, may elect to leave his total accumulated contributions in the Teachers' and State Employees' Retirement System during the period he is in the employment of such employer, or his account remains active in the local system. This subsection shall be effective retroactively as well as prospectively.

(b) Any such member shall retain all the rights, credits and benefits obtaining to him under this Retirement System at the time of such transfer while he is a member of the local system and does not withdraw his contributions hereunder and in addition, he shall be granted membership service credits under this Retirement System on account of the period of his membership in the local system for the purpose of increasing his years of creditable service hereunder in order to meet any service requirements of any retirement benefit under this Retirement System and, if he is a member in service under the local system, he shall be deemed to be a member in service under this Retirement System if so required by such benefit: Provided, however, that in lieu of transfer of funds from one retirement system to another, such member who is eligible for retirement benefits shall file application therefor with each retirement system to the end that each retirement system shall pay appropriate benefits without transfer of funds between the systems.

(c) Any member who became or becomes employed by an employer of the North Carolina Local Governmental Employees' Retirement System as provided in (a) above shall be entitled to waive the provisions of (b) above and to transfer to the local system his credits for membership and prior service in this System provided such member shall request this System to transfer his accumulated contributions, interest and service credits to the local system. If such request is made, in addition to the member's accumulated contributions, interest and service credits, there shall be transferred to the local system the amount of reserve held in this System as a result of previous employer contributions on behalf of the transferring employee.
