

§ 143B-1351. Restriction on State agency contractual authority with regard to information technology.

(a) All State agencies covered by this Article shall use contracts for information technology to include enterprise licensing agreements and convenience contracts established by the Department. The State CIO shall consult the agency heads prior to the initiation of any enterprise project or contract. Notwithstanding any other statute, the authority of State agencies to procure or obtain information technology shall be subject to compliance with the provisions of this Part.

(b) Notwithstanding any other provision of law, local governmental entities may use the information technology programs, services, or contracts offered by the Department, including information technology procurement, in accordance with the statutes, policies, and rules of the Department. Local governmental entities are not required to comply with otherwise applicable competitive bidding requirements when using contracts established by the Department.

(c) Any other State entities exempt from Part 3 or Part 5 of this Article may also use the information technology programs, services, or contracts offered by the Department, including information technology procurement, in accordance with the statutes, policies, and rules of the Department. (2015-241, s. 7A.2(b).)
