§ 143B-968. Criminal record checks for the Office of State Human Resources.

(a) The Department of Public Safety may provide to the Office of State Human Resources from the State and National Repositories of Criminal Histories the criminal history of any prospective temporary employee of a State agency or department if a criminal record check is a requirement for employment by the agency or department with which the individual would be temporarily assigned. The Office of State Human Resources shall provide to the Department of Public Safety, along with the request, the fingerprints of the prospective temporary employee, a form signed by the prospective temporary employee consenting to the criminal record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the Department of Public Safety. The fingerprints of the prospective employee shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Office of State Human Resources shall keep all information obtained pursuant to this section confidential.

(b) The Department of Public Safety may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information. If the Department of Public Safety charges the Office of State Human Resources a fee for conducting the criminal record check, the agency or department with which the individual would be temporarily assigned shall reimburse the Office of State Human Resources for the fee charged.
