(a) **Members.** – The board of commissioners, in the resolution establishing a URSD, shall also provide for an advisory committee for the URSD. The committee shall have at least 10 members, serving terms as set forth in the resolution. The resolution shall provide for the appointment or designation of a chairperson. The board of commissioners shall appoint the members of the URSD [URSD] advisory committee. Before making the appointments, the board shall request the association of owners and tenants, required by G.S. 153A-312(a), to submit a list of persons to be considered for appointment to the committee. The association shall submit at least two names for each appointment to be made. Except as provided in subsection (b) of this section, the board of commissioners shall make the appointments to the committee from the list of persons submitted.

(b) **Additional Members.** – In addition to the members provided in subsection (a) of this section, the developer of the research and production park established as a research and production service district shall appoint one person to the URSD advisory committee as the developer's representative on the committee. The board of commissioners may make two additional appointments of such other persons as the board of commissioners deems appropriate.

(c) **Vacancy.** – Whenever a vacancy occurs on the committee in a position filled by appointment by the board of commissioners, the board, before filling the vacancy, shall request the association to submit the names of at least two persons to be considered for the vacancy, and the board shall fill the vacancy by appointing one of the persons so submitted, except that if the vacancy is in a position appointed by the board of commissioners under subsection (b) of this section, the board of commissioners making that appointment shall fill the vacancy with such person as the board of commissioners deems appropriate.

(d) **Advisory Role.** – Each year, before adopting the budget for the URSD and levying the tax for the URSD, the board of commissioners shall request recommendations from the URSD advisory committee as to the level of services, facilities, or functions to be provided for the URSD for the ensuing year. The board of commissioners shall, to the extent permitted by law, expend the proceeds of any tax levied for the URSD in the manner recommended by the URSD advisory committee. (2012-73, s. 1.)
