§ 158-7.2. Accounting for expenditures.

In the event funds appropriated for the purposes of this Article are turned over to any agency or organization other than the county or city for expenditure, no such expenditure shall be made until the county or city has approved the same, and all such expenditures shall be accounted for by the agency or organization at the end of the fiscal year for which they were appropriated. (1973, c. 803, s. 38.)
