

§ 159-104. Application to Commission for approval of project development financing debt instrument issue; preliminary conference; acceptance of application.

A unit of local government may not issue project development financing debt instruments under this Article unless the issue is approved by the Local Government Commission. The governing body of the issuing unit shall file with the secretary of the Commission an application for Commission approval of the issue. At the time of application, the governing body shall publish a public notice of the application in a newspaper of general circulation in the unit of local government. The application shall include any statements of facts and documents concerning the proposed debt instruments, development financing district, and development financing plan, and the financial condition of the unit, required by the secretary. The Commission may prescribe the form of the application.

Before accepting the application, the secretary may require the governing body or its representatives to attend a preliminary conference in order to discuss informally the proposed issue, district, and plan and the timing of the steps to be taken in issuing the debt instruments. The development financing plan need not be adopted by the governing body at the time it files the application with the secretary. However, before the Commission may enter its order approving the debt instruments, the governing body must adopt the plan and make the findings described in G.S. 159-105(b)(1) and (5).

After an application in proper form and order has been filed, and after a preliminary conference if one is required, the secretary shall notify the unit in writing that the application has been filed and accepted for submission to the Commission. The secretary's statement is conclusive evidence that the unit has complied with this section. (2003-403, s. 2.)
