

§ 160A-499. Reimbursement agreements.

(a) A city may enter into reimbursement agreements with private developers and property owners for the design and construction of municipal infrastructure that is included on the city's Capital Improvement Plan and serves the developer or property owner. For the purpose of this act, municipal infrastructure includes, without limitation, water mains, sanitary sewer lines, lift stations, stormwater lines, streets, curb and gutter, sidewalks, traffic control devices, and other associated facilities.

(b) A city shall enact ordinances setting forth procedures and terms under which such agreements may be approved.

(c) A city may provide for such reimbursements to be paid from any lawful source.

(d) Reimbursement agreements authorized by this section shall not be subject to Article 8 of Chapter 143 of the General Statutes, except as provided by this subsection. A developer or property owner who is party to a reimbursement agreement authorized under this section shall solicit bids in accordance with Article 8 of Chapter 143 of the General Statutes when awarding contracts for work that would have required competitive bidding if the contract had been awarded by the city.
