§ 160D-1107. Mutual aid contracts.

(a) Any two or more cities or counties may enter into contracts with each other to provide mutual aid and assistance in the administration and enforcement of State and local laws pertaining to the North Carolina State Building Code. Mutual aid contracts may include provisions addressing the scope of aid provided, for reimbursement or indemnification of the aiding party for loss or damage incurred by giving aid, for delegating authority to a designated official or employee to request aid or to send aid upon request, and any other provisions not inconsistent with law.

(b) Unless the mutual aid contract says otherwise, while working with the requesting city or county under the authority of this section, a Code-enforcement official shall have the same jurisdiction, powers, rights, privileges, and immunities, including those relating to the defense of civil actions and payment of judgments, as the Code-enforcement officials of the requesting agency.

(c) Nothing in this section shall be construed to deprive any party to a mutual aid contract under this section of its discretion to send or decline to provide aid to another party to the contract under any circumstances, whether or not obligated by the contract to do so. In no case shall a party to a mutual aid contract or any of its officials or employees be held to answer in any civil or criminal action for declining to send aid whether or not obligated by contract to do so.
