§ 160D-1113. Inspections of work in progress.

Subject to the limitation imposed by G.S. 160D-1104(d), as the work pursuant to a building permit progresses, local inspectors shall make as many inspections thereof as may be necessary to satisfy them that the work is being done according to the provisions of any applicable State and local laws and of the terms of the permit. In exercising this power, members of the inspection department have a right to enter on any premises within the jurisdiction of the department at all reasonable hours for the purposes of inspection or other enforcement action, upon presentation of proper credentials. If a building permit has been obtained by an owner exempt from licensure under G.S. 87-1(b)(2), no inspection shall be conducted without the owner being present, unless the plans for the building were drawn and sealed by an architect licensed pursuant to Chapter 83A of the General Statutes. (2019-111, s. 2.4; 2020-3, s. 4.33(a); 2020-25, ss. 31, 51(a), (b), (d).)
