

§ 160D-915. Temporary health care structures.

(a) The following definitions apply in this section:

- (1) Activities of daily living. – Bathing, dressing, personal hygiene, ambulation or locomotion, transferring, toileting, and eating.
- (2) Caregiver. – An individual 18 years of age or older who (i) provides care for a mentally or physically impaired person and (ii) is a first- or second-degree relative of the mentally or physically impaired person for whom the individual is caring.
- (3) First- or second-degree relative. – A spouse, lineal ascendant, lineal descendant, sibling, uncle, aunt, nephew, or niece and includes half, step, and in-law relationships.
- (4) Mentally or physically impaired person. – A person who is a resident of this State and who requires assistance with two or more activities of daily living as certified in writing by a physician licensed to practice in this State.
- (5) Temporary family health care structure. – A transportable residential structure providing an environment facilitating a caregiver's provision of care for a mentally or physically impaired person that (i) is primarily assembled at a location other than its site of installation, (ii) is limited to one occupant who shall be the mentally or physically impaired person, (iii) has no more than 300 gross square feet, and (iv) complies with applicable provisions of the North Carolina State Building Code and G.S. 143-139.1(b). Placing the temporary family health care structure on a permanent foundation shall not be required or permitted.

(b) A local government shall consider a temporary family health care structure used by a caregiver in providing care for a mentally or physically impaired person on property owned or occupied by the caregiver as the caregiver's residence as a permitted accessory use in any single-family residential zoning district on lots zoned for single-family detached dwellings.

(c) A local government shall consider a temporary family health care structure used by an individual who is the named legal guardian of the mentally or physically impaired person a permitted accessory use in any single-family residential zoning district on lots zoned for single-family detached dwellings in accordance with this section if the temporary family health care structure is placed on the property of the residence of the individual and is used to provide care for the mentally or physically impaired person.

(d) Only one temporary family health care structure shall be allowed on a lot or parcel of land. The temporary family health care structures under subsections (b) and (c) of this section shall not require a special use permit or be subjected to any other local zoning requirements beyond those imposed upon other authorized accessory use structures, except otherwise provided in this section. Such temporary family health care structures shall comply with all setback requirements that apply to the primary structure and with any maximum floor area ratio limitations that may apply to the primary structure.

(e) Any person proposing to install a temporary family health care structure shall first obtain a permit from the local government. The local government may charge a fee of up to one hundred dollars (\$100.00) for the initial permit and an annual renewal fee of up to fifty dollars (\$50.00). The local government may not withhold a permit if the applicant provides sufficient proof of compliance with this section. The local government may require that the applicant provide evidence of compliance with this section on an annual basis as long as the temporary family health care structure remains on the property. The evidence may involve the inspection by the local government of the temporary family health care structure at reasonable times convenient to the caregiver, not limited to any annual compliance confirmation and annual renewal of the doctor's certification.

(f) Notwithstanding subsection (i) of this section, any temporary family health care structure installed under this section may be required to connect to any water, sewer, and electric utilities serving the property and shall comply with all applicable State law, local ordinances, and other requirements, including Article 11 of this Chapter, as if the temporary family health care structure were permanent real property.

(g) No signage advertising or otherwise promoting the existence of the temporary health care structure shall be permitted either on the exterior of the temporary family health care structure or elsewhere on the property.

(h) Any temporary family health care structure installed pursuant to this section shall be removed within 60 days in which the mentally or physically impaired person is no longer receiving or is no longer in need of the assistance provided for in this section. If the temporary family health care structure is needed for another mentally or physically impaired person, the temporary family health care structure may continue to be used or may be reinstated on the property within 60 days of its removal, as applicable.

(i) The local government may revoke the permit granted pursuant to subsection (e) of this section if the permit holder violates any provision of this section or G.S. 160A-202. The local government may seek injunctive relief or other appropriate actions or proceedings to ensure compliance with this section or G.S. 160A-202.

(j) Temporary family health care structures shall be treated as tangible personal property for purposes of taxation. (2019-111, s. 2.4; 2020-3, s. 4.33(a); 2020-25, s. 51(a), (b), (d); 2023-108, s. 1(g).)
