§ 160D-938. Applicability.

(a) A city shall not adopt or enforce any ordinance, rule, regulation, or resolution that regulates the design, engineering, construction, installation, or operation of any small wireless facility located in an interior structure or upon the site of any stadium or athletic facility. This subsection does not apply to a stadium or athletic facility owned or otherwise controlled by the city. This subsection does not prohibit the enforcement of applicable codes.

(b) Nothing contained in this Part shall amend, modify, or otherwise affect any easement between private parties. Any and all rights for the use of a right-of-way are subject to the rights granted pursuant to an easement between private parties.

(c) Except as provided in this Part or otherwise specifically authorized by the General Statutes, a city may not adopt or enforce any regulation on the placement or operation of communications facilities in the rights-of-way of State-maintained highways or city rights-of-way by a provider authorized by State law to operate in the rights-of-way of State-maintained highways or city rights-of-way and may not regulate any communications services.

(d) Except as provided in this Part or specifically authorized by the General Statutes, a city may not impose or collect any tax, fee, or charge to provide a communications service over a communications facility in the right-of-way.

(e) The approval of the installation, placement, maintenance, or operation of a small wireless facility pursuant to this Part does not authorize the provision of any communications services or the installation, placement, maintenance, or operation of any communications facility, including a wireline backhaul facility, other than a small wireless facility, in the right-of-way.
