§ 160D-963. Receipt and expenditure of funds.

The commission may receive contributions from private agencies, foundations, organizations, individuals, the State or federal government, or any other source, in addition to any sums appropriated for its use by the governing board. It may accept and disburse these funds for any purpose within the scope of its authority as herein specified. All sums appropriated by the local government to further the work and purposes of the commission are deemed to be for a public purpose.
