§ 163-111. Determination of primary results; second primaries.

(a) Nomination Determined by Substantial Plurality; Definition of Substantial Plurality. – Except as otherwise provided in this section, nominations in primary elections shall be determined by a substantial plurality of the votes cast. A substantial plurality within the meaning of this section shall be determined as follows:

(1) If a nominee for a single office is to be selected, and there is more than one person seeking nomination, the substantial plurality shall be ascertained by multiplying the total vote cast for all aspirants by thirty percent (30%). Any excess of the sum so ascertained shall be a substantial plurality, and the aspirant who obtains a substantial plurality shall be declared the nominee. If two candidates receive a substantial plurality, the candidate receiving the highest vote shall be declared the nominee.

(2) If nominees for two or more offices (constituting a group) are to be selected, and there are more persons seeking nomination than there are offices, the substantial plurality shall be ascertained by dividing the total vote cast for all aspirants by the number of positions to be filled, and by multiplying the result by thirty percent (30%). Any excess of the sum so ascertained shall be a substantial plurality, and the aspirants who obtain a substantial plurality shall be declared the nominees. If more candidates obtain a substantial plurality than there are positions to be filled, those having the highest vote (equal to the number of positions to be filled) shall be declared the nominees.

(b) Right to Demand Second Primary. – If an insufficient number of aspirants receive a substantial plurality of the votes cast for a given office or group of offices in a primary, a second primary, subject to the conditions specified in this section, shall be held:

(1) If a nominee for a single office is to be selected and no aspirant receives a substantial plurality of the votes cast, the aspirant receiving the highest number of votes shall be declared nominated by the appropriate board of elections unless the aspirant receiving the second highest number of votes shall request a second primary in accordance with the provisions of subsection (c) of this section. In the second primary only the two aspirants who received the highest and next highest number of votes shall be voted for.

(2) If nominees for two or more offices (constituting a group) are to be selected and aspirants for some or all of the positions within the group do not receive a substantial plurality of the votes, those candidates equal in number to the positions remaining to be filled and having the highest number of votes shall be declared the nominees unless some one or all of the aspirants equal in number to the positions remaining to be filled and having the second highest number of votes shall request a second primary in accordance with the provisions of subsection (c) of this section. In the second primary to select nominees for the positions in the group remaining to be filled, the names of all those candidates receiving the highest number of votes and all those receiving the second highest number of votes and demanding a second primary shall be printed on the ballot.

(c) Procedure for Requesting Second Primary. –

(1) A candidate who is apparently entitled to demand a second primary, according to the unofficial results, for one of the offices listed below, and desiring to do so, shall file a request for a second primary in writing with the Executive Director of the State Board of Elections no later than 12:00 noon on the ninth day (including Saturdays and Sundays) following the date on which the primary was conducted, and such request shall be subject to the certification
of the official results by the State Board of Elections. If the vote certification by the State Board of Elections determines that a candidate who was not originally thought to be eligible to call for a second primary is in fact eligible to call for a second primary, the Executive Director of the State Board of Elections shall immediately notify such candidate and permit the candidate to exercise any options available to the candidate within a 48-hour period following the notification:

Governor,
Lieutenant Governor,
All State executive officers,
Justices, Judges, or District Attorneys of the General Court of Justice,
United States Senators,
Members of the United States House of Representatives,
State Senators in multi-county senatorial districts, and
Members of the State House of Representatives in multi-county representative districts.

(2) A candidate who is apparently entitled to demand a second primary, according to the unofficial results, for one of the offices listed below and desiring to do so, shall file a request for a second primary in writing with the chairman or director of the county board of elections no later than 12:00 noon on the ninth day (including Saturdays and Sundays) following the date on which the primary was conducted, and such request shall be subject to the certification of the official results by the county board of elections:

State Senators in single-county senatorial districts,
Members of the State House of Representatives in single-county representative districts, and
All county officers.

(3) Immediately upon receipt of a request for a second primary the appropriate board of elections, State or county, shall notify all candidates entitled to participate in the second primary, by telephone followed by written notice, that a second primary has been requested and of the date of the second primary.

(d) Tie Votes; How Determined. –

(1) In the event of a tie for the highest number of votes in a first primary between two candidates for party nomination for a single county, or single-county legislative district office, the board of elections of the county in which the two candidates were voted for shall conduct a recount and declare the results. If the recount shows a tie vote, a second primary shall be held on the date prescribed in subsection (e) of this section between the two candidates having an equal vote, unless one of the aspirants, within three days after the result of the recount has been officially declared, files a written notice of withdrawal with the board of elections with which he filed notice of candidacy. Should that be done, the remaining aspirant shall be declared the nominee. In the event of a tie for the highest number of votes in a first primary among more than two candidates for party nomination for one of the offices mentioned in this subdivision, no recount shall be held, but all of the tied candidates shall be entered in a second primary.

(2) In the event of a tie for the highest number of votes in a first primary between two candidates for a State office, for United States Senator, or for any district office (including State Senator in a multi-county senatorial district and
member of the State House of Representatives in a multi-county representative district), no recount shall be held solely by reason of the tie, but
the two candidates having an equal vote shall be entered in a second primary to be held on the date prescribed in subsection (e) of this section, unless one
of the two candidates files a written notice of withdrawal with the State Board of Elections within three days after the result of the first primary has been
officially declared and published. Should that be done, the remaining aspirant shall be declared the nominee. In the event of a tie for the highest number of
votes in a first primary among more than two candidates for party nomination for one of the offices mentioned in this subdivision, no recount shall be held,
but all of the tied candidates shall be entered in a second primary.

(3) In the event one candidate receives the highest number of votes cast in a first primary, but short of a substantial plurality, and two or more of the other
candidates receive the second highest number of votes cast in an equal number, the proper board of elections shall declare the candidate having the
highest vote to be the party nominee, unless all but one of the tied candidates give written notice of withdrawal to the proper board of elections within three
days after the result of the first primary has been officially declared. If all but
one of the tied candidates withdraw within the prescribed three-day period,
and the remaining candidate demands a second primary in accordance with
the provisions of subsection (e) of this section, a second primary shall be held
between the candidate who received the highest vote and the remaining
candidate who received the second highest vote.

(e) (Effective until March 9, 2022) Date of Second Primary; Procedures. – If a second
primary is required under the provisions of this section, the appropriate board of elections, State

a second primary is required are for a candidate for the office of United States Senate or member
of the United States House of Representatives. Otherwise, the second primary shall be held seven
