§ 163-165.8. Voting systems: powers and duties of board of county commissioners.

The board of county commissioners, with the approval of the county board of elections, may adopt and acquire only a voting system of a type, make, and model certified by the State Board of Elections for use in some or all voting places in the county at some or all elections.

The board of county commissioners may decline to adopt and acquire any voting system recommended by the county board of elections but may not adopt and acquire any voting system that has not been approved by the county board of elections. Article 8 of Chapter 143 of the General Statutes does not apply to the purchase of a voting system certified by the State Board of Elections.
