§ 163-166.12. Requirements for certain voters who register by mail.

(a) Voting in Person. – An individual who has registered to vote by mail on or after January 1, 2003, and has not previously voted in an election that includes a ballot item for federal office in North Carolina, shall present to a local election official at a voting place before voting there one of the following:

(1) A current and valid photo identification.

(2) A copy of one of the following documents that shows the name and address of the voter: a current utility bill, bank statement, government check, paycheck, or other government document.

(b) Voting Mail-In Absentee. – An individual who has registered to vote by mail on or after January 1, 2003, and has not previously voted in an election that includes a ballot item for federal office in North Carolina, in order to cast a mail-in absentee vote, shall submit with the mailed-in absentee ballot one of the following:

(1) A copy of a current and valid photo identification.

(2) A copy of one of the following documents that shows the name and address of the voter: a current utility bill, bank statement, government check, paycheck, or other government document.

(c) Notation of Identification Proof. – The county board of elections shall note the type of identification proof submitted by the voter under the provisions of subsection (a) or (b) of this section and may dispose of the tendered copy of identification proof as soon as the type of proof is noted in the voter registration records. The county board of elections shall create a list denoting the voter, the method of voting by the voter, and type of identification proof submitted by the voter, which shall be a public record.

(d) Voting When Identification Numbers Do Not Match. – Regardless of whether an individual has registered by mail or by another method, if the individual has provided with the registration form a drivers license number or last four digits of a Social Security number but the computer validation of the number as required by G.S. 163-82.12 did not result in a match, and the number has not been otherwise validated by the county board, in the first election in which the individual votes that individual shall submit with the ballot the form of identification described in subsection (a) or subsection (b) of this section, depending upon whether the ballot is voted in person or absentee. If that identification is provided no later than 12:00 P.M. on the third business day after the election and the county board does not determine that the individual is otherwise ineligible to vote a ballot, the failure of identification numbers to match shall not prevent that individual from registering to vote and having that individual's vote counted.

(e) The Right to Vote Provisionally. – If an individual is required under subsection (a), (b), or (d) of this section to present identification in order to vote, but that individual does not present the required identification, that individual may vote a provisional official ballot. If the voter is at the voting place, the voter may vote provisionally there without unnecessary delay. If the voter is voting by absentee ballot, the absentee ballot without the required identification shall be treated as a provisional official ballot.

(f) Exemptions. – This section does not apply to any of the following:

(1) An individual who registers by mail and submits as part of the registration application either of the following:

a. A copy of a current and valid photo identification.

b. A copy of a "HAVA document" as defined in G.S. 163-82.6B(e).

(2) An individual who registers by mail and submits as part of the registration application the individual's drivers license number or at least the last four digits of the individual's social security number where an election official matches either or both of the numbers submitted with an existing State identification record bearing the same number, name, and date of birth

contained in the submitted registration. If any individual's number does not match, the individual shall provide identification as required in subsection (d) of this section in the first election in which the individual votes.

(3) An individual who is entitled to vote by absentee ballot under the Uniformed and Overseas Citizens Absentee Voting Act.

(4) An individual who is entitled to vote otherwise than in person under section 3(b)(2)(B)(ii) of the Voting Accessibility for the Elderly and Handicapped Act.
