

**§ 163A-5. Independent agency, staff, and offices.**

(a) The State Board shall be and remain an independent regulatory and quasi-judicial agency and shall not be placed within any principal administrative department. The State Board shall exercise its statutory powers, duties, functions, and authority and shall have all powers and duties conferred upon the heads of principal departments under G.S. 143B-10.

(b) The State Board may employ professional and clerical staff, including an Executive Director. (2017-6, s. 4(c).)
