

§ 20-11. Issuance of limited learner's permit and provisional drivers license to person who is less than 18 years old.

(a) Process. – Safe driving requires instruction in driving and experience. To ensure that a person who is less than 18 years old has both instruction and experience before obtaining a drivers license, driving privileges are granted first on a limited basis and are then expanded in accordance with the following process:

- (1) Level 1. – Driving with a limited learner's permit.
- (2) Level 2. – Driving with a limited provisional license.
- (3) Level 3. – Driving with a full provisional license.

A permit or license issued under this section must indicate the level of driving privileges granted by the permit or license.

(b) Level 1. – A person who is at least 15 years old but less than 18 years old may obtain a limited learner's permit if the person meets all of the following requirements:

- (1) Passes a course of driver education prescribed in G.S. 115C-215 or a course of driver instruction at a licensed commercial driver training school.
- (2) Passes a written test administered by the Division.
- (3) Has a driving eligibility certificate or a high school diploma or its equivalent.

(c) Level 1 Restrictions. – A limited learner's permit authorizes the permit holder to drive a specified type or class of motor vehicle only under the following conditions:

- (1) The permit holder must be in possession of the permit.
- (2) A supervising driver must be seated beside the permit holder in the front seat of the vehicle when it is in motion. No person other than the supervising driver can be in the front seat.
- (3) For the first six months after issuance, the permit holder may drive only between the hours of 5:00 a.m. and 9:00 p.m.
- (4) After the first six months after issuance, the permit holder may drive at any time.
- (5) Every person occupying the vehicle being driven by the permit holder must have a safety belt properly fastened about his or her body, or be restrained by a child passenger restraint system as provided in G.S. 20-137.1(a), when the vehicle is in motion.
- (6) The permit holder shall not use a mobile telephone or other additional technology associated with a mobile telephone while operating the motor vehicle on a public street or highway or public vehicular area.

(d) Level 2. – A person who is at least 16 years old but less than 18 years old may obtain a limited provisional license if the person meets all of the following requirements:

- (5) Has completed a driving log, on a form approved by the Division, detailing a minimum of 60 hours as the operator of a motor vehicle of a class for which the driver has been issued a limited learner's permit. The log must show at least 10 hours of the required driving occurred during nighttime hours. No more than 10 hours of driving per week may be counted toward the 60-hour

requirement. The driving log must be signed by the supervising driver and submitted to the Division at the time the applicant seeks to obtain a limited provisional license. If the Division has cause to believe that a driving log has been falsified, the limited learner's permit holder shall be required to complete a new driving log with the same requirements and shall not be eligible to obtain a limited provisional license for six months.

(e) Level 2 Restrictions. – A limited provisional license authorizes the license holder to drive a specified type or class of motor vehicle only under the following conditions:

- (1) The license holder shall be in possession of the license.
- (2) The license holder may drive without supervision in any of the following circumstances:
 - a. From 5:00 a.m. to 9:00 p.m.

 - c. When driving directly to or from an activity of a volunteer fire department, volunteer rescue squad, or volunteer emergency medical service, if the driver is a member of the organization.
- (3) The license holder may drive with supervision at any time. When the license holder is driving with supervision, the supervising driver shall be seated beside the license holder in the front seat of the vehicle when it is in motion. The supervising driver need not be the only other occupant of the front seat, but shall be the person seated next to the license holder.
- (4) When the license holder is driving the vehicle and is not accompanied by the supervising driver, there may be no more than one passenger under 21 years of age in the vehicle. This limit does not apply to passengers who are members of the license holder's immediate family or whose primary residence is the same household as the license holder. However, if a family member or member of the same household as the license holder who is younger than 21 years of age is a passenger in the vehicle, no other passengers under 21 years of age, who are not members of the license holder's immediate family or members of the license holder's household, may be in the vehicle.
- (5) Every person occupying the vehicle being driven by the license holder shall have a safety belt properly fastened about his or her body, or be restrained by a child passenger restraint system as provided in G.S. 20-137.1(a), when the vehicle is in motion.
- (6) The license holder shall not use a mobile telephone or other additional technology associated with a mobile telephone while operating the vehicle on a public street or highway or public vehicular area.

- (2) Has not been convicted of a motor vehicle moving violation or seat belt infraction or a violation of G.S. 20-137.3 during the preceding six months.
- (3) Has a driving eligibility certificate or a high school diploma or its equivalent.
- (4) Has completed a driving log, on a form approved by the Division, detailing a minimum of 12 hours as the operator of a motor vehicle of a class for which the driver is licensed. The log must show at least six hours of the required driving occurred during nighttime hours. The driving log must be signed by the supervising driver for any hours driven outside the provisions of subdivision (e)(2) of this section and submitted to the Division at the time the

applicant seeks to obtain a full provisional license. If the Division has cause to believe that a driving log has been falsified, the limited provisional licensee shall be required to complete a new driving log with the same requirements and shall not be eligible to obtain a full provisional license for six months.

A person who meets these requirements may obtain a full provisional license by mail.

(g) Level 3 Restrictions. – The restrictions on Level 1 and Level 2 drivers concerning time of driving, supervision, and passenger limitations do not apply to a full provisional license. However, the prohibition against operating a motor vehicle while using a mobile telephone under G.S. 20-137.3(b) shall apply to a full provisional license.

(h) Exception for Persons 16 to 18 Who Have an Unrestricted Out-of-State License. – A person who is at least 16 years old but less than 18 years old, who was a resident of another state and has an unrestricted drivers license issued by that state, and who becomes a resident of this State may obtain one of the following upon the submission of a driving eligibility certificate or a high school diploma or its equivalent:

The period must end within 10 days after the expected completion date of the drivers education program in which the applicant is enrolled.

- (3) A limited provisional license, if the person has completed a drivers education program that meets the requirements of the Superintendent of Public Instruction but either did not hold the license issued by the other state for at least 12 months or was convicted during the preceding six months of a motor vehicle moving violation, a seat belt infraction, or an offense committed in another jurisdiction that would be a motor vehicle moving violation or seat belt infraction if committed in this State.
