

Part 9A. Abandoned and Derelict Motor Vehicles.

§ 20-137.6. Declaration of purpose.

Abandoned and derelict motor vehicles constitute a hazard to the health and welfare of the people of the State in that such vehicles can harbor noxious diseases, furnish shelter and breeding places for vermin, and present physical dangers to the safety and well-being of children and other citizens. It is therefore in the public interest that the present accumulation of abandoned and derelict motor vehicles be eliminated and that the future abandonment of such vehicles be prevented.
