

**§ 20-185. (Effective until July 1, 2025 – see note) Personnel; appointment; salaries.**

(a) The State Highway Patrol shall consist of a commanding officer, who shall be appointed by the Governor and whose rank shall be designated by the Governor, and such additional subordinate officers and members as the Secretary of Public Safety, with the approval of the Governor, shall direct. Members of the State Highway Patrol shall be appointed by the Secretary, with the approval of the Governor, and shall serve at the pleasure of the Governor and Secretary. The commanding officer, other officers and members of the State Highway Patrol shall be paid such salaries as may be established by the Division of Personnel of the Department of Administration. Notwithstanding any other provision of this Article, the number of supervisory personnel of the State Highway Patrol shall not exceed a number equal to twenty-one percent (21%) of the personnel actually serving as uniformed highway patrolmen. Nothing in the previous sentence is intended to require the demotion, reassignment or change in status of any member of the State Highway Patrol presently assigned in a supervisory capacity. If a reduction in the number of Highway Patrol personnel assigned in supervisory capacity is required in order for the State Highway Patrol to meet the mandatory maximum percentage of supervisory personnel as set out in the fourth sentence of this subsection, that reduction shall be achieved through normal attrition resulting from supervisory personnel resigning, retiring or voluntarily transferring from supervisory positions.

(a1) Applicants for employment as a State Trooper shall be at least 21 years of age and not more than 39 years of age as of the first day of patrol school. Highway Patrol enforcement personnel hired on or after July 1, 2013, shall retire not later than the end of the month in which their 62nd birthday falls.
