§ 20-279.8. Application to nonresidents, unlicensed drivers, unregistered motor vehicles and accidents in other states.

(a) In case the operator or the owner of a motor vehicle involved in an accident within this State has no license, or is a nonresident, he shall not be allowed a license until he has complied with the requirements of this Article to the same extent that it would be necessary if, at the time of the accident, he had held a license.

(b) When a nonresident's operating privilege is suspended pursuant to G.S. 20-279.5 or 20-279.7, the Commissioner shall transmit a certified copy of the record of such action to the official in charge of the issuance of licenses in the state in which such nonresident resides, if the law of such other state provides for action in relation thereto similar to that provided for in subsection (c) of this section.

(c) Upon receipt of such certification that the operating privilege of a resident of this State has been suspended or revoked in any such other state pursuant to a law providing for its suspension or revocation for failure to deposit security for the payment of judgments arising out of a motor vehicle accident, under circumstances which would require the Commissioner to suspend a nonresident's operating privilege had the accident occurred in this State the Commissioner shall suspend the license of such resident. Such suspension shall continue until such resident furnishes evidence of his compliance with the law of such other state relating to the deposit of such security. (1953, c. 1300, s. 8.)
