

§ 20-79.4. Special registration plates.

(a) General. – Upon application and payment of the required registration fees, a person may obtain from the Division a special registration plate for a motor vehicle registered in that person's name if the person qualifies for the registration plate. A holder of a special registration plate who becomes ineligible for the plate, for whatever reason, must return the special plate within 30 days. A special registration plate may not be issued for a vehicle registered under the International Registration Plan. A special registration plate may be issued for a commercial vehicle that is not registered under the International Registration Plan. A special registration plate may not be developed using a name or logo for which a trademark has been issued unless the holder of the trademark licenses, without charge, the State to use the name or logo on the special registration plate.

(a1) Qualifying for a Special Plate. – In order to qualify for a special plate, an applicant shall meet all of the qualifications set out in this section. The Division of Motor Vehicles shall verify the qualifications of an individual to whom any special plate is issued to ensure only qualified applicants receive the requested special plates.

(a2) Special Plates Based Upon Military Service. – The Department of Military and Veterans Affairs shall be responsible for verifying and maintaining all verification documentation for all special plates that are based upon military service. The Department shall not issue a special plate that is based on military service unless the application is accompanied by a motor vehicle registration (MVR) verification form signed by the Secretary of Military and Veterans Affairs, or the Secretary's designee, showing that the Department of Military and Veterans Affairs has verified the applicant's credentials and qualifications to hold the special plate applied for. The following shall apply to special plates issued under this subsection:

- (1) Unless a qualifying condition exists requiring annual verification, no additional verification shall be required to renew a special registration plate either in person or through an online service.
- (2) If the Department of Military and Veterans Affairs determines a special registration plate has been issued due to an error on the part of the Division of Motor Vehicles, the plate shall be recalled and canceled.
- (3) If the Department of Military and Veterans Affairs determines a special registration plate has been issued to an applicant who falsified documents or has fraudulently applied for the special registration plate, the Division of Motor Vehicles shall revoke the special plate and take appropriate enforcement action.
- (4) The surviving spouse of a person who had a special plate issued under the terms of this subsection may continue to renew the plate so long as the surviving spouse does not remarry. This is a qualifying condition requiring verification under subdivision (1) of this subsection.

(a3) The Division shall develop, in consultation with the State Highway Patrol and the Division of Prisons, a standardized format for special license plates. The format shall allow for the name of the State and the license plate number to be reflective and to contrast with the background so it may be easily read by the human eye and by cameras installed along roadways as part of tolling and speed enforcement. A designated segment of the plate shall be set aside for unique design representing various groups and interests. Nothing in this subsection shall be construed to require the recall of existing special license plates.
