§ 44A-41. Self-service storage facility owner entitled to lien.

The owner of a self-service storage facility has a lien upon all personal property stored at the facility for rent, expenses necessary for the preservation of the personal property, and expenses reasonably incurred in the sale or other disposition of the personal property pursuant to this Article. This lien shall not have priority over any security interest which is perfected at the time the occupant stores the property at the self-service storage facility. For purposes of this Article, to identify an existing security interest in stored property, the owner shall conduct an online search for Uniform Commercial Code financing statements filed with the Office of the Secretary of State in the name of the occupant.
