§ 47-101. Seal of acknowledging officer omitted; deeds made presumptive evidence.

In all cases where deeds appear to have been executed for land prior to January 1, 1900, and appear to have been recorded in the offices of the registers of deeds in the proper counties in this State, and the same appear to have been acknowledged before commissioners of affidavits (or deeds) of North Carolina, residing in the District of Columbia or elsewhere in the different states, or appear to have been recorded without any certificate being recorded on the record of such deed or deeds, such record or records shall be presumptive evidence of the execution of such deed or deeds by the grantor or the grantors to the grantee or grantees therein named for the lands therein described, and the record of such deed or deeds may be offered or read in evidence upon the trial or hearing of any cause in any of the courts of this State as if the same had been properly probated and recorded: Provided, however, that nothing herein contained shall prevent such record or records from being attacked for fraud, and provided further that this section shall not apply to creditors or purchasers, but as to them the same shall stand as if this section had not been passed, and shall only apply to deeds executed prior to January 1, 1900.
