§ 53-184. Securing of information; records and reports; allocations of expense.

(a) Each licensee shall maintain all books and records relating to loans made under this Article required by the Commissioner of Banks to be kept, and the Commissioner, his deputy, or duly authorized examiner or agent or employee is authorized and empowered to examine such records at any reasonable time. Such books and records may be maintained in the form of magnetic tape, magnetic disk, optical disk, or other form of computer, electronic or microfilm media available for examination on the basis of computer printed reproduction, video display or other medium acceptable to the Commissioner of Banks; provided, however, that such books and records so kept must be convertible into clearly legible tangible documents within a reasonable time. Any licensee having more than one licensed office may maintain such books and records at a location other than the licensed office location if such location is approved by the Commissioner; provided that, upon such requirements as may be imposed by the Commissioner of Banks, there shall be available to the borrower at each licensed location or such other location convenient to the borrower, as designated by the licensee, complete loan information; and provided further that such books and records of each licensed office shall be clearly segregated. When a licensee maintains its books and records outside of North Carolina, the licensee shall make them available for examination at the place where they are maintained and shall pay for all reasonable and necessary expenses incurred by the Commissioner in conducting such examination. Where the data processing for any licensee is performed by a person other than the licensee, the licensee shall provide to the Commissioner of Banks a copy of a binding agreement between the licensee and the data processor which allows the Commissioner of Banks, his deputy, or duly authorized examiner or agent or employee to examine that particular data processor's activities pertaining to the licensee to the same extent as if such services were being performed by the licensee on its own premises; and, notwithstanding the provisions of G.S. 53-167, when billed by the Commissioner of Banks, the licensee shall reimburse the Commissioner of Banks for all costs and expenses incurred by the Commissioner in such examination.

(b) Each licensee shall file annually with the Commissioner of Banks on or before the thirty-first day of March for the 12 months' period ending the preceding December 31, reports on forms prescribed by the Commissioner. Reports shall disclose in detail and under appropriate headings the assets and liabilities of the licensee, the income, expense, gain, loss, and any other information as the Commissioner may require. Reports shall be verified by the oath or affirmation of the owner, manager, president, vice-president, cashier, secretary or treasurer of the licensee.

(c) If a licensee conducts another business or is affiliated with other licensees under this Article, or if any other situation exists under which allocations of expense are necessary, the licensee or licensees shall make such allocation according to appropriate and reasonable accounting principles.
