§ 55-7.25. Quorum and voting requirements for voting groups.

(a) Shares entitled to vote as a separate voting group may take action on a matter at a meeting only if a quorum of that voting group exists with respect to that matter, except that, in the absence of a quorum at the opening of any meeting of shareholders, such meeting may be adjourned from time to time by the vote of a majority of the votes cast on the motion to adjourn. Unless the articles of incorporation, a bylaw adopted by the shareholders, or this act provides otherwise, a majority of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter.

(b) Once a share is represented for any purpose at a meeting, it is deemed present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or must be set for that adjourned meeting.

(c) If a quorum exists, action on a matter (other than the election of directors) by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast opposing the action, unless the articles of incorporation, a bylaw adopted by the shareholders, or this Chapter requires a greater number of affirmative votes.

(d) An amendment of the articles of incorporation or bylaws adding, changing, or deleting a quorum or voting requirement for a voting group greater than specified in subsection (a) or (c) is governed by G.S. 55-7.27.

(e) The election of directors is governed by G.S. 55-7.28.

(f) Whenever a provision of this Chapter provides for voting by one or more series as separate voting groups, unless otherwise provided in this Chapter, the requirement provided in G.S. 55-10.04(c) for amendments of articles of incorporation apply to that provision.
