

§ 62-137. Scope of rate case.

In setting a hearing on rates upon its own motion, upon complaint, or upon application of a public utility, the Commission shall declare the scope of the hearing by determining whether it is to be a general rate case, under G.S. 62-133, or whether it is to be a case confined to the reasonableness of a specific single rate, a small part of the rate structure, or some classification of users involving questions which do not require a determination of the entire rate structure and overall rate of return. The procedures established in this section shall not be required when pricing alternatives permitted under G.S. 62-134(h) and (j) are adopted. (1963, c. 1165, s. 1; 1989, c. 112, s. 4.)
