

§ 80-65. Rerecording.

Every brand recorded under this Article, in order to remain effective, must be rerecorded with the Commissioner during the tenth year from its next previous recordation. Each person having a brand registered in the State of North Carolina shall be notified in writing by the Commissioner that said brand must be rerecorded to prohibit its disenrollment from the record of such brand maintained by the Commissioner. (1975, c. 261, s. 1.)
