

§ 89E-12. Issuance, renewal and replacement of licenses.

(a) The Board shall issue a license upon payment of the license fee as fixed by the Board to any applicant who has satisfactorily met all the requirements of the Chapter as administered by the Board. Licenses shall show the full name of the registrant, shall give a serial number, and shall be signed by the chairman and secretary of the Board under the seal of the Board. The issuance of a license by the Board shall be prima facie evidence that the person named therein is entitled to all the rights and privileges of a licensed geologist while the license remains in full force and effect.

(b) All licenses shall expire at such interval as may be determined by the Board, unless licenses are renewed. All applications for renewal shall be filed with the Board under rules and regulations it shall adopt and which renewal shall be accompanied by the renewal fee prescribed by the Board. A license which has expired for failure to renew may only be restored after application and payment of the prescribed restoration fee, provided the renewal applicant meets all other provisions of this Chapter.

(c) A new license to replace any license lost, destroyed or mutilated may be issued, subject to the rules of the Board and payment of a fee set by the Board. (1983 (Reg. Sess., 1984), c. 1074, s. 1.)
