

§ 90-103. Revocation or suspension of registration.

(a) A registration under G.S. 90-102 to manufacture, distribute, or dispense a controlled substance, may be suspended or revoked by the Commission upon a finding that the registrant:

- (1) Has furnished false or fraudulent material information in any application filed under this Article;
- (2) Has been convicted of a felony under any State or federal law relating to any controlled substance; or
- (3) Has had his federal registration suspended or revoked to manufacture, distribute, or dispense controlled substances.

(b) The Commission may limit revocation or suspension of a registration to the particular controlled substance with respect to which grounds for revocation or suspension exist.

(c) Before denying, suspending, or revoking a registration or refusing a renewal of registration, the Commission shall serve upon the applicant or registrant an order to show cause why registration should not be denied, revoked, or suspended, or why the renewal should not be refused. The order to show cause shall contain a statement of the basis therefor and shall call upon the applicant or registrant to appear before the Commission at a time and place not less than 30 days after the date of service of the order, but in the case of a denial or renewal of registration, the show cause order shall be served not later than 30 days before the expiration of the registration. These proceedings shall be conducted in accordance with rules and regulations of the Commission required by Chapter 150B of the General Statutes, and subject to judicial review as provided in Chapter 150B of the General Statutes. Such proceedings shall be independent of, and not in lieu of, criminal prosecutions or other proceedings under this Article or any law of the State.

(d) The Commission may suspend, without an order to show cause, any registration simultaneously with the institutions of proceedings under this section, or where renewal of registration is refused if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including judicial review thereof, unless sooner withdrawn by the Commission or dissolved by a court of competent jurisdiction.

(e) In the event the Commission suspends or revokes a registration granted under G.S. 90-102, all controlled substances owned or possessed by the registrant pursuant to such registration at the time of suspension or the effective date of the revocation order, as the case may be, may in the discretion of the Commission be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all such controlled substances may be ordered forfeited to the State.

(f) The Bureau shall promptly be notified of all orders suspending or revoking registration. (1971, c. 919, s. 1; 1973, c. 1331, s. 3; 1977, c. 667, s. 3; 1981, c. 51, s. 9; 1987, c. 827, s. 1.)
