

§ 90-113.11. Possession of substances.

It is unlawful for any person to possess any compound, liquid, or chemical containing toluol, hexane, trichloroethane, isopropanol, methyl isobutyl ketone, methyl cellosolve acetate, cyclohexanone, ethyl alcohol, or any other substance which will induce a condition of intoxication through inhalation for the purpose of violating G.S. 90-113.10. (1971, c. 1208, s. 1; 1979, c. 671, s. 3; 2007-134, s. 3.)
