§ 90-113.74A. Mandatory prescriber registration for access to controlled substances reporting system (See editor's note for contingency).

Within 30 days after obtaining an initial or renewal license that confers the authority to prescribe a controlled substance for the purpose of providing medical care for a patient, the licensee shall demonstrate to the satisfaction of the licensing board that he or she is registered for access to the controlled substances reporting system. A violation of this section may constitute cause for the licensing board having jurisdiction over the licensee to suspend or revoke the license. (2016-94, s. 12F.7(c).)
