§ 90-121.1. Board may enjoin illegal practices.

In view of the fact that the illegal practice of optometry imminently endangers the public health and welfare and is a public nuisance, the North Carolina State Board of Examiners in Optometry may, if it finds that any person is violating any of the provisions of this Article, apply to the superior court for a temporary or permanent restraining order or injunction to restrain the person from continuing the illegal practices. If upon the application, the court determines that the person has violated, or is violating, the provisions of this Article, the court shall issue an order restraining any further violation. All actions under this section by the Board for injunctive relief are governed by the provisions of Article 37 of Chapter 1 of the General Statutes. Actions under this section shall be commenced in the superior court district or set of districts as defined in G.S. 7A-41.1 in which the respondent resides or has a principal place of business.
