§ 90-18.2A. Physician assistants receiving, prescribing, or dispensing prescription drugs without charge or fee.

The North Carolina Medical Board shall have sole jurisdiction to regulate and license physician assistants receiving, prescribing, or dispensing prescription drugs under the supervision of a licensed physician without charge or fee to the patient. The provisions of G.S. 90-18.1(c)(1), (c)(2), and G.S. 90-85.21(b), shall not apply to the receiving, prescribing, or dispensing of prescription drugs without charge or fee to the patient. (2004-124, s. 10.2E(a).)
